

PRIVACY POLICY

Updated: 11-12-2022

This is the Privacy Policy of Coding Delta B.V. (hereinafter referred to as “Coding Delta”, “WE”, “US” or “OUR”), a company with address Keizersgracht 241, Amsterdam. Coding Delta is registered with the Chamber of Commerce under Chamber of Commerce number 77615999. This Privacy Policy explains how we collect, use, share and protect data in relation to our services. We collect this information when you use our services. We process personal data in a manner that is in accordance with the General Data Protection Regulation (the “GDPR”), the GDPR-based implementing legislation and other currently applicable privacy legislation. Only Dutch law applies.

Our Privacy Policy applies to everyone who uses our services. By using our services, you understand and agree to the collection and use of information in accordance with this privacy policy.

What kind of data do we collect?

We collect personal data that you provide to us. You can think of the following data:

- Name and address details
- E-mail address
- Phone number
- Payment details
- IP address

We collect information collected through our websites and other apps/services we provide.

Purposes of data processing

By using our services, you leave certain information with us, for example by creating an account. This may concern data such as name, e-mail address, telephone number and payment details. Coding Delta collects and processes this data to make our services accessible. We also collect information about your computer (such as IP address and browser type) so that we can improve our services. The personal data will not be provided to third parties, unless Coding Delta is required to do so by law or regulation.

All information we collect, we use to execute the agreement, to comply with a legal obligation and/or to represent a legal interest.

How is this information shared?

We will not rent or sell your (personal) data to third parties, unless you give permission or to comply with a legal obligation.

Legal request and damage prevention

Pursuant to a legal request, we are entitled to access, store and/or share your information in response to a legal request (such as a search warrant, court order or subpoena). We are also entitled to retain and/or share your information when we believe it is necessary to detect, prevent and report fraud or other illegal activity and to protect us, you and others. Information we receive about you may be accessed, edited and retained for an extended period of time when necessary due to a legal request or obligation, an investigation regarding our terms, policies or otherwise to prevent harm.

Security and safety

Coding Delta has taken appropriate technical and organizational measures to protect your data against any form of unlawful processing.

Retention period

In accordance with the GDPR and other relevant legislation, Coding Delta does not store personal data for longer than is necessary for the achievement of the purposes for which it is collected or

processed. If you would like more information about how long your specific personal data will be retained, please contact info@codingdelta.com.

Right of inspection, corrections, right to object and right to data portability

If you want to inspect your personal data, change or delete your data or if you want to have your personal data transferred in whole or in part to you or to a third party, you can contact Coding Delta by sending an e-mail to info@codingdelta.com or send a letter to:

Coding Delta B.V.
Keizersgracht 241
1016EA, Amsterdam

If you object to the way in which we handle your data, you can submit a complaint to the Dutch Data Protection Authority.

Amendments

Coding Delta may amend or update this Privacy Policy from time to time. You are therefore advised to consult this Privacy Policy regularly. Changes to this Privacy Policy take effect the moment they are published on our website.

Contact

If you have any questions about this Privacy Policy, you can contact Coding Delta by sending an email to info@codingdelta.com.
